Ringlock Scaffolding Galvanized Scaffold Steel Plank for Building Material Construction Walking Platform

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Bythai
- Certification: SGS,ISO
- Model Number: BT205
- Minimum Order Quantity: 1000
- Price: 15.5-85.5
- Packaging Details: In bundles
- Delivery Time: 10-15
- Payment Terms: container, shipping, L/C, T/T

Product Specification

- Length: Customized
- Place Of Shipment: China
- Surface: Pre-galvanized/hot Dip Galvanized/Spray Plastic
- Material: Steel
- Usage: Scaffolding
- Packaging: Container
- Highlight: **Building Material Construction Scaffold Steel Plank**, **Galvanized Scaffold Steel Plank**, **Ringlock Scaffold Steel Plank**

Product Description

Technical Parameters:

Attribute	Value
Product Name	Steel Plank for Scaffolding
Place of Shipment	China
Packaging	Container
Surface	Pre-galvanized/Hot Dip Galvanized/Spray Plastic
Length	Customized
Material	Steel
Usage	Scaffolding
Certification	BS1139

Applications:

The steel plank with hooks is used in various occasions and scenarios in the construction industry. It is commonly used in scaffolding, providing a sturdy platform for workers to stand on while working at heights. The steel plank with hooks can also be used as a temporary bridge, allowing workers to cross over areas that are difficult to access. It is a highly durable and reliable product that can withstand heavy loads and extreme weather conditions.
The BT205 model number is customizable, allowing customers to order the length that best suits their needs. The surface of the steel plank can also be pre-galvanized, hot dip galvanized, or spray plastic, providing customers with options to suit their preferences and requirements. The steel plank with hooks is made of high-quality steel material, ensuring its strength and durability.
Bythai's steel plank with hooks is shipped from China, ensuring timely and efficient delivery to customers worldwide. Whether you are a contractor, builder, or construction worker, the BT205 steel plank with hooks is an essential tool for your construction needs. Order now and experience the convenience and reliability of Bythai's high-quality steel plank.
