Product Description

Technical Parameters:

Product Name	Ringlock System
Design Style	Industrial
Application	Building
Application Scenarios	Architecture
Material	Q235 Steel
Surface Treatment	Hot-dip Galvanized
Warranty	2 Years
Place of Origin	Tianjin China
Shipping Origin	China
Supplier	Ringlock Scaffold Supplier
Description	Hot-dip Galvanized Ringlock is an easy installation scaffold system made of Q235 Steel. It is designed for building and architecture applications. This product comes with a 2-year warranty and has an industrial design style. Our company is a Ringlock Scaffold Supplier located in China.

Applications:

The Bythai BT203 ringlock scaffolding is a superior alternative to traditional layher scaffolding. It is easy to install and dismantle, making it a popular choice for construction workers. The ringlock scaffolding is versatile and can be used in various applications such as building, construction, and maintenance of bridges and tunnels.

The Bythai BT203 ringlock scaffolding has been certified by SGS ISO, which is a guarantee of its quality and safety. It has a minimum order quantity of 1000, and the price ranges from $10.8 to $85.5 depending on the quantity ordered. The packaging details are in bundles, and the delivery time is 10-15 days.

The Bythai BT203 ringlock scaffolding is suitable for use in architecture and building. It is designed to provide a sturdy and reliable platform for workers to perform their tasks. Its ring lock type scaffold design ensures that the scaffolding is stable and secure even in challenging working conditions.

If you are in the construction industry, the Bythai BT203 ringlock system scaffolding is an excellent investment. It is a cost-effective solution that will save you time and money. It is easy to transport and install, and it will provide you with a safe and secure platform to work from.

Order now and enjoy the benefits of Bythai BT203 ringlock system scaffolding. Payment terms are TT/TC, and you can contact us for more information on how to place your order.
